

“Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith.”

Hebrews 12:1-2b

Pricing and scholarships info

It costs us a lot behind the scenes to provide the high quality of activities, staffing, meals, accommodation, and outdoor facilities that your campers deserve. We don't want to compromise on the fantastic summer camp experience that we offer, so you may have noticed that some of our camps have gone up in price by just \$50. The hard truth is that, in current times, we have had no choice but to raise our prices by this very small amount so that we can stay financially sustainable. We don't want this to prevent anyone from coming to camp, which is why we have a scholarship fund that is available to you if you need it.

Camper Scholarships...

...are always available for those that need.

Glacier Camp understands that the full cost of camp is not possible for everyone, and we can discuss helping with your fees *to enable every kid and teen to experience the magic of summer camp.*
